

## **H&R Nurseries – Special Orchid Price List (June 3, 2009)**

*Aloha from Hawaii to Members of the Toronto Orchid Society and Guests.*

*Thank you for your gracious invitation for me to speak at what promises to be a fun event in Toronto. I have visited Toronto several times and have spoken to orchid societies in and around Toronto, as well as throughout Canada. However, I have not given an orchid talk in Toronto for nearly 15 years. I look forward to doing so and to meeting up with friends once again and also to meeting new people. Thank you. Harry Akagi*

Attached for your use is a special Orchid Price List, specifically intended for pre-orders to be delivered to the August 2 Toronto OS Orchid Fest. Our regular Summer Price List will not be posted until June 15. Please use this special Toronto list because it differs a little from our web site listing in that some items have been omitted due to shipping constraints and difficulty preparing them for shipping to Canada. (Canada requires us to bare-root all plants. Certain plants in larger pot sizes are very bulky or have huge root balls that are very difficult to bare-root. We have omitted these) However, our listing is still quite extensive. I will also be bringing for sale some plants from our nursery, which are not pre-orders. These plants will be priced differently from our pre-order list.

For those of you who are not familiar with H&R Nurseries, we have a worldwide reputation for having many new and innovative orchid hybrids in various genera. We also stock many unusual, desirable and sometimes rare orchid species. Our growing conditions and more than 30 years of experience allow us to provide excellently grown plants.

**IMPORTANT PROCEDURES FOR PRE-ORDERS.** For ease of preparation, packing, shipping documents and distribution of plants, please follow these procedures:

1. The pre-orders will be treated somewhat like a large Society group order. From past experience, rather than discounting the plants, then adding back charges for plant preparation, packing, shipping, taxes, the simplest method is that the total cost of pre-order plants will be the price listed on this Toronto price list.
  
2. Please use the attached order form for pre-orders. I would prefer not to have 50 or 100 sheets of paper with only a few plants on each. Please coordinate with friends or fellow members to make combined orders of at least 10-20 plants, or more.
  - a) Please list the plants in the same order as on the price list.
  - b) Please combine the same items (e.g., 2pl Item A, 5pl Item B, 9pl Item C).  
Different pot sizes are not the same item.
  - c) Write: Quantity of plants for each item; Code number for plant; Plant name as listed; Pot size; List price.
  - d) Do not write: Name of each member (coordinate your groups yourselves)
  - e) Write: only one person's full name, phone number and email address on order form. All contact should be through only that one person. Email order to: [orders@hrnurseries.com](mailto:orders@hrnurseries.com). Subject: Toronto Pre-orders. Or fax to us. Do Not Mail.  
**Deadline for Orders: Orders should be received by July 5, Sunday.**
  - f) Payment: Please collect group money internally. I would like each group payment from one person only. Payment may be made in Toronto in US\$ or Can\$ equivalent. Payment also by VISA, Mastercard, exp date, last 3 digits on back. Charges will be done July 28-Aug 7. Fax CC# (808-259-5422) or give in Toronto.
